O R D E R

On February 22, 1994, Jonathan Creek Water District ("Jonathan Creek") submitted an application to the Commission requesting a Certificate of Public Convenience and Necessity to construct a waterworks project including wells, a water treatment plant, line replacements, main extensions and a connection to North Marshall Water District. The application was considered filed by the Commission on March 23, 1994. Jonathan Creek also requested that the Commission approve its plan of financing which consists in part of a loan to be made by the Kentucky Infrastructure Authority ("KIA").

KRS 278.300(2) provides that the Commission shall have 60 days after filing to consider applications for authority to issue or assume securities or evidence of indebtedness unless it is necessary for good cause to continue the application. As the Commission has not completed its investigation of this matter, the Commission finds that good cause exists to continue the financing application beyond the 60-day period specified in KRS 278.300(2).

IT IS THEREFORE ORDERED that the portion of Jonathan Creek's application for authorization to incur additional indebtedness be and it hereby is continued beyond the 60-day period specified in KRS 278.300(2).

Done at Frankfort, Kentucky, this 13th day of May, 1994.
